JANOU TREFFERS

PROFILE
Amsterdam based Junior Full Stack Webdeveloper.
Ready to polish and build applications for people with a colorfull skillset,
that inspire other people and nature to grow.

EXPERIENCE

WEBDEVELOPMENT
Freelance

2017 - 2015

• Customized website, for client Amsterdams Buurtfilmfestival. Build with
Bootstrap, HTML5. A call for action website with video and photo's for Thai-Hand.com
and bookingsystem in Wordpress.
Website for a restaurant, client Piri Reis Cafe with reservation module in Wordpress.

• Commercial webapplication for a Bikeshop. Using Ruby on rails, actioncable, AJAX,
writing tests in RSpec, Factorygirl. The app is deployed on Heroku.

• Currently working on a webapplication, a marketplace. It's a B2B platform for
restmaterials supporting the circular economy. Using Ruby on Rails.

• Building app hobby generator. Getting bored and don't know what do do? Create a
 profile with hobby's and let the app choose for you what do to do that day.

• Wrote a building plan for a website and so happy to give coaching lessons to
a client to build her own website.

CONTENTCREATOR
Freelance

2017 - 2008

• Creator of storytelling video for website and Social Media. For several commercial
and non-commercial clients I created mini documentary, corporate filmmaking,
crowfdfunding films and infotainment videoreports as a camerajournalist.
